

Information Line

Promote and Record your Callers details

The Information Line Service is used by businesses of all sizes that want to provide an automated Promotion or Information Telephone Line, and capture the Caller's details by recording their Voice Message.

The Callers Voice Messages will be Recorded by our platform and then emailed as a sound file to your nominated email address.

Your Announcement Messages can be up to 10 minutes long and can be changed at any time via our Dial-In Recording platform for Free.

- Convey a Professional Image to your Callers
- Automate the Announcement of a Promotion
- Capture Caller Details and receive Voice Messages via Email
- Lines Never Busy - The system can handle multiple Inbound Calls
- Change Message unlimited times via our Dial In Voice Recording platform
- Works on any Standard PSTN, Mobile, International or VoIP telephone

Setting up the Announce and Record Service

We will provide you with a PIN Code to access our Dial-In Recording service so you can record you Message, alternatively you can use our professional female Voice Artist to make the recording, prices depend on the length of your message but do not normally exceed £100.

Once we have received the recording and confirmed the configuration, your Call Greeting Service will usually be Live on your Number within 1 business day.

Prices

Service	Set Up Charge	Yearly Charge
