

# BOLT ON SERVICES

Add individual services - from £2 a month

Any of our Call Management services are available to add to a number individually as Bolt Ons. This means you can supplement the free services you get with the Essential Package, and make use of some of our more advanced services from just £2 a month per number.

## Why choose Bolt Ons?

Bolt Ons allow you to just add the services you want, and **just pay for what you need.**

**Build up the services** you have available on a number over time.

**You can always add a Package to your account later** if it becomes more cost effective.

## Our available Bolt Ons

**Call Whisper £2/mo**

Hear a short message when you answer your calls, so you can tell which number has been rung.

**Voicemail Pro £2/mo**

Expand on the included Voicemail service by having your own custom voicemail message.

**Missed Call Alert £2/mo**

Get an email alert within 15 seconds of missing a call, so you can get back to the caller straight away.

**Call Greeting £2/mo**

Get your calls off to a great start by greeting your callers with a custom welcome message.

**Call Blocking £2/mo**

Don't want to receive calls from a specific number or even an entire number range? Block those unwanted calls.

**Number Presentation £2/mo**

See which number has been dialled on your phone's display, so you can answer the call in the most appropriate way.

**Time Based Forwarding £4/mo**

Set up different time plans to automatically change your phone's set up to match your business hours.

**Call Screening £4/mo**

To answer the call, you need to press '1' on your keypad, making this a great way to avoid your mobile's voicemail.

**Hunt Group Pro £2/mo**

Increase your chances to answer calls by setting up a sequence of up to ten destinations.

**Forward to All £2/mo**

Cut down response time by setting up to ten destinations to all ring at the same time when a call comes in.

**UK Ringtone £2/mo**

No matter where in the world you go, your callers will always hear a UK ringtone.

**Virtual Receptionist £8/mo**

Get your callers to the right department by presenting them with a list of options for your different departments.

**Call Queuing £8/mo**

Make sure you don't miss out on any calls by placing your callers in a queue, so you can speak to them when ready.

**Inbound Call Recording £8/mo**

Automatically record all your calls, to monitor and train those who answer the phone.

**Information Line £2/mo**

Make sure all your callers here the same information, by automatically delivering a consistent message.
