

# Schedule 2 - Call Share Revenue

- 1** Call Share Revenue is payable on 0844, 0871, 09 Premium Rate and 070 Personal numbers.
- 2** In the case of 070 numbers, Ofcom does not allow revenue to be paid directly to the End User.
- 3** Revenue will only be payable should the number of inbound minutes received through the Number exceed the following:
  - 3.1** For 0844 numbers, 2,000 daytime minutes per month.
  - 3.2** For 0871 numbers, 1,000 daytime minutes per month.
  - 3.3** For 09 and 070 numbers, 50 daytime minutes per month.
- 4** Revenue is not payable for an 0844 or 0871 number that is being forwarded to a mobile destination.
- 5** The minimum Revenue payment TTNC shall make is £50. If the Call Share Revenue due to a Customer is not more than £50, it is the Customer's responsibility to invoice TTNC at a time when their accrued Revenue exceeds £50.
- 6** The rate per minute at which Revenue will be calculated shall be agreed upon between TTNC and the Customer. It shall be the Customer's responsibility to ensure that such an agreement is reached before the relevant Number is used. No Revenue shall be payable to the Customer in respect of inbound minutes received prior to an agreement being reached in accordance with this paragraph.
- 7** TTNC shall provide adequate reporting to the Customer to enable them to calculate the Revenue due to them on a monthly basis. It is then the Customer's responsibility to provide TTNC with an invoice for the appropriate amount of Revenue.
- 8** Call Share Revenue is paid on a monthly basis within 45 days of the receipt of the Customer's invoice by bank transfer. TTNC must receive an invoice from the Customer in order to pay Call Share Revenue.
- 9** TTNC shall be entitled to withhold Revenue due to the Customer:
  - 9.1** Upon the suspension of the Service in accordance with the Contract.
  - 9.2** If TTNC reasonably suspects the Customer is in breach of any term of these Conditions or any other agreement between the parties;
  - 9.3** If TTNC reasonably suspects the Customer has increased its entitlement to Revenue by fraudulent or improper means;
  - 9.4** If TTNC has not received the corresponding payment from the Operator.

**10** TTNC shall be entitled to off set any charges due to TTNC against Revenue due to the Customer.
