

Snom HS-MM2

Improved ergonomics and usability

Key Features

- Comfortable for long wearing
- Quick disconnect cable
- Excellent Sound
- 270° rotating Microphone Boom Arm
- Adjustable Steel Tube Boom
- Foam Microphone Cap
- Acoustic Shock Protection for Receiver

The Snom monaural headset provides users with excellent headset stability, ease of use, comfort & hands free convenience.

The headset has one ear pad which can be worn on either ear.

An adjustable boom carries a noise cancelling microphone keeping voice crystal clear.
